

Biblical Literacy Assessment

The goal of this assessment is not to bring discouragement or condemnation. We are justified by grace alone through faith alone in Christ alone. God is pleased with us not because of how well we know the Bible but because in Christ we are the righteousness of God. But the Scriptures are an incredible gift to help us grow in Christ and be equipped for every good work (2 Tim 3:16-17). This exercise is to help you become aware of your current level of biblical literacy and notice any gaps in your study of the scriptures.

Rate the books of the Bible, from 1-5, based on how well you know them.

1 = "I've never read it or if I have I can't tell you anything about it."

5 = "I know most or all of the major characters and themes of the book and I could give you a general outline."
